In preparation for your work experience during the week of the 1st-5th March 2010, it is important that you consider which areas of employment that you are interested in.

Dependant on your likes and dislikes, we may be able to offer you **one** of the following:

Work shadowing - where you can observe a variety of jobs, at different levels

Work experience – hands on, tasks and duties in a real position

Taster sessions at college – insight into what you can aspire to, and how to get there

To help us to find you a suitable placement, please tick the areas of employment which interest you.
