& Sixth Form College

# CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

## OPPORTUNITIES

University of Bath have a range of opportunities for you to gain support when thinking about your future and Higher Education. Here is an overview:

- Friday 29th Oct: [Online University Preparation and Transition Conference for Year 12 + 13](#)
- [Step into Success online programme for Year 13](#)
- [Applications week sessions](#)
- [Talk and Tour](#)

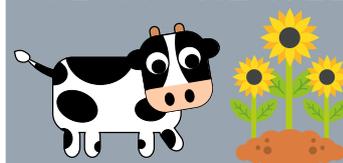

Working Options are running a masterclass series for students age 14-19. The one-hour masterclass allows companies to provide students with a deep dive into their sector, the career opportunities available in their industry and organisation, outline the qualifications needed and the skills, attributes and qualities they look for in recruits. [Register here](#) for the next Masterclass with Accenture.

Are you 16-18 and looking at your next steps? Want to gain new skills and earn money at the same time? Then join Success at School's FREE student insight webinar on Thursday 11th November at 4.30pm - 5.00pm in partnership with BT, where you'll get the lowdown on all things BT apprenticeships. [Register here](#).

Did you know the Creative Industries are one of the fastest growing sectors in the UK today? There's an abundance of job opportunities for new talent breaking into the industry... this could be you! With so many jobs out there, it can be a difficult industry to navigate, especially for a newbie. Escape Studios have created an easy guide to help you understand the various pipelines, jobs and work opportunities available! Get your free copy [here](#).

Are you planning a career in medicine? If so, this event "Making it in medicine: insight into studying and working in the medical field" will be helpful for you. Watch [here](#).

## JOB OF THE WEEK

### Agricultural inspector

Agricultural inspectors make sure animal welfare regulations are followed in farms and dairies. You can earn anything from £23,000 to £50,000 within this job role.

You can expect to work 38 to 40 hours a week. There will be 4% more Agricultural inspector jobs by 2025.

Read more about this job [here](#).

## LABOUR MARKET INFORMATION FACT

Every week, we include a Labour Market Information Fact here...

But what it is?!

Read [this blog](#) to find out more about what Labour Market is and why it matters.

If you need any further information, advice, guidance or support, please email Miss Tranter [tranterc@ridgewayschool.com](mailto:tranterc@ridgewayschool.com)

Please keep checking The Ridgeway School Website and Careers VLE ( One Note) for more events and information
