Want to learn more about T Levels? This is a new type of Level 3 qualification in the UK that involves academic study, vocational elements (like coursework) and a work experience placement. Sign up for a webinar on 5th May at 330pm to learn more, [click here](#) to register.

The latest Get Ahead issue from Disability Rights UK is now available to download from our website. It includes information on Post-16 options and T Levels, Further and Higher Education, Support available in college and university, Funding for disabled students and much more! [Click here](#) to read.

National Career Guidance Show - This free virtual event, taking place on 28th April, gives attendees access to free resources and fresh ideas from industry experts, as well as a CPD certificate. Teachers and careers professionals can find out more by [clicking here](#).

At the University of Sheffield, throughout the months of April to June there are a number of (completely free) opportunities for Y12 pupils within your schools to join us for our online subject specific Taster sessions. [Click here](#) to view and sign up.

JOB OF THE WEEK

Radiographer

Radiography is one of the most innovative aspects of healthcare – you'll use advanced technology to look inside patients' bodies and understand the root causes of their illness.

You could earn up to £44,503 and the number of people needed for this job is due to rise by 6% by 2025. Within this role, you may work for the NHS or a private sector hospital.

You can read more [here](#).

LABOUR MARKET INFORMATION FACT

Last week, we signposted you to information on LMI for your area in the UK. But what if you want to work abroad?

My next move is an American website which shows you which jobs are on the rise in the USA. [Click here](#) to use.

The Ridgeway School
& Sixth Form College

EMPLOYER SPOTLIGHT

[Network Rail](#)

Network Rail owns, operates and develops Britain's railway infrastructure. That's 20,000 miles of track, 30,000 bridges, tunnels and viaducts and the thousands of signals, level crossings and stations.

Every day, 4.8 million people use our network. Keeping Britain moving and building a better railway for the future is full of challenges – but also tremendous opportunities.

You can read more [here](#).

UNI SPOTLIGHT

[University of Warwick](#) Uni Ranking: [11th](#)

"27,000 students study at Warwick, from around 150 countries. This means you'll be exposed to new cultures and perspectives every day.

Warwick encourages you to take modules outside of your main academic department. You can also study a foreign language, within or outside of your course."

If you need any further information, advice, guidance or support, please email Miss Tranter tranterc@ridgewayschool.com
