

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

Apprenticeships and careers with the RAF: To mark International Women's Day 2021, the Royal Air Force (RAF) in partnership with Amazing Apprenticeships, will be running an exclusive free webinar for students in Years 10-13, to explore the incredible apprenticeship and career opportunities available for them. Book your place here.

Considering a career in Tech? Join Talent Tap's next online event to hear Expert Careers Advice & Tips from Ben Jones CTO of Germany's largest market research organisation GfK. Learn about how to approach the Tech industry, insights into diversity initiatives and the opportunity scale of opportunity. Learn more and register here.

Escape Studios have put together a handy creative Careers Guide will help you support you find your niche in the creative industries. At Escape Studios our undergraduate courses in Animation, Game Art and Visual Effects have been designed to help students land their dream job. Click here to read the guide.

Here are some key websites you can use to help plan your career:

- Career Pilot - Take part in quizzes, skills assessments and read/watch over 800 job profiles
- Not Going to Uni - Are you in Year 12 or 13 and considering what your options are for the end of your Level 3 studies? Not Going to Uni gives advice and guidance on University alternatives (Degree Apprenticeships, Employment and Gap Years).
- UniTasterDays - This site allows you to see all the online events from universities in one place, this includes open days and online Q&A events. You can also read the advice blog and watch on demand videos.

JOB OF THE WEEK

Investment Analyst

As an investment analyst you will need to be adept in researching and understanding the financial market, and be able to communicate this information to others.

An investment analyst provides research and information to help traders, fund managers and stock brokers make decisions about investments. The information you provide ensures investment portfolios are well managed and that potential investment opportunities are highlighted.

Read more here.

LABOUR MARKET INFORMATION FACT

The current UK employment rate for people aged 16+ is 5%, this is up 1.2% on the same time last year.
