‘Inspiring learners for their future’

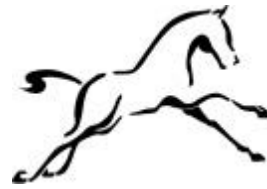

“I am choosing this school for (name) because it is a very high performing school and I believe (name) will benefit hugely from attending a highly rated school.”

“Based on the school standard and recommendations from other parents.”

“(name) really liked the Ridgeway school. He found the teachers to be very welcoming and friendly. He has a number of very close friends attending the school. He will be able to travel to and from the school with his friends.”

“I just like to say the reason I choose is this school is one of the best school in Swindon.”

“I would really like (name) to attend ridgeway as it has an exemplary reputation over many years and I believe (name) will fill his potential here. Knowing that the school is well managed and really strives to help each individual child is a real positive for myself. It has clear ethos and I fully believe in all of those key values that you share with the school.

When visiting the school this September and meeting with (name) the transition coordinator, she really showed how much she loves the school and working here, she was able to answer any question asked and really made it a welcoming experience for parent and child. Explaining how the school is run and the fantastic facilities on offer. Especially having the homework club to support students and the pit stop room if a child ever needed a place to go.

Also Knowing another member of staff that works here and has continued to praise how brilliant the school is, its such a positive step for a parent to know that if the staff love the school so that will shine through to the pupils and help them achieve their best.” Part 1/2

(name) currently attends lawn primary which I believe is a feeder school to ridgeway, knowing many friends from previous years who attend ridgeway, I believe will help the transition period for him. [name redacted] does struggle with a bit of anxiety and new places, I believe that ridgeway will help him settle well and that there is a great intervention team and support network for all children and especially with those that find it difficult and daunting.

This makes it even more so why I would feel comfortable and relaxed knowing that my son would be well cared for looked after. Ridgeway also has such a lot to offer with the sports facilities and a 25m swimming pool, which no other school can offer.

(name) would also be able to be more independent with travelling to school as ridgeway offers a bus service for students. Also having a good Ofsted report is great, this shows that the school is achieving the measures it should be.

After seeing many of the videos that the head has taken time to show how he plays a vital role in the school and a great school always does well if managed properly and as said before it shines through to the staff and this therefore shines in to the pupils. Part 2/2

"We would like (name) to attend The Ridgeway School because it has an excellent reputation, we live a 5 minute walk away and many of her friends will attend as Wroughton Junior School is a feeder school. (name) is already familiar with the school from school visits there and is a very keen swimmer so the swimming pool is a big plus for her!"

"I believe that they offer a high standard of education. I have heard a lot of extremely good feed back form parents with children at or have attended the school."

"I am selecting the Ridgeway School for it's longstanding educational performance and reputation for excellent pastoral care and the caring support they give to their pupils."

“(name) has attended this school on an arranged visit for a ‘Language day’ session and on a few other occasion. Which really helped (name) in feeling settled when moving up to secondary school. I found this very reassuring as (name) felt really positive and comfortable about her years ahead along with being with friends and children she recognized from previous older year groups.

Family members have also attended this school and were very happy there.”

“This school also looks lovely (best virtual school tour I have seen) and could work well for us although not as convenient as (name) would be unable to walk to school. (name) knows many others that will attend here due to the location of his primary school (East Wichel).”

“I would like (name) to attend Ridgeway school as I believe it’s the best school in Swindon and supportive with additional help.”

“The Ridgeway School has a good Ofsted rating and a good curriculum. We therefore believe this will help (name) with her academic progress.”

After reading the information about the school on the website and watching the video encouraging me to choose this school, I am greatly impressed by the entire teaching team, vision and values that guide the school when teaching children.

“We are applying because of the school's excellent reputation, results and because we were impressed when we visited.”

"We would like to submit an application for our son, (name) to attend The Ridgeway School.

Having been to the open tour, we agreed that the school would be an ideal place for (name) , we were impressed by its enviable reputation academically and behaviourally speaking as well as its extensive facilities and excellent teaching staff.

We have also been influenced by positive word of mouth from family members and friends who have children at the school and speak very highly of it.

Ultimately, like all parents we want (name) to be happy, to be a successful, well balanced student, the Ridgeway School offers him a chance to thrive in an environment which would bring out his best qualities. We feel the Ridgeway is just this place."

“Having involved our son (name) in discussions about his future education, we would like him to attend Ridgeway for a number of reasons.

We found Ridgeway’s open evening extremely insightful and the school well suited to (name) needs and abilities.

We have heard extremely positive points about Ridgeway and were even more impressed once we had watched your open evening presentation.

We feel that the school has a very personable family feel and in hand with the broad modern curriculum you offer, a placement would benefit (name) in such a positive way.”

“(name) will be my 4th child to attend Ridgeway and we value the schools academic achievement and pastoral support. Her school feeds to St Johns in Marlborough but we would prefer (name) to attend a more diverse school alongside her siblings.”

“We believe The Ridgeway School is the school best suited to (name) from academic, extra-curricular and social perspectives”

“I thought this school was amazing! I also work in Old Town so not far to travel to get (name) to and from school if necessary.”
