

Re: Y9 D of E Bronze Assessment Expedition;15-16/06/19; Cranham

Dear Parent / Carer,

To complete their DofE Bronze Award, students must complete a final assessed expedition. The purpose of the two days is to assess the students' expedition skills against the 20 DofE conditions. The students should be at school by 08.45 on Saturday 15/06 and return to school at about 15.00 on Sunday 16/06.

You will find attached a kit list (Please note we have taken knives off the kit list) which outlines the requirements for both team kit, individual kit and food. Food must not include pot noodles it should be simple to cook on a Trangia (meths) stove and ideally will not make the pans very dirty (fry-ups do). An example menu being dinner: pasta & sauce, custard & chocolate: Breakfast croissants & coffee. Students will also need 2 packed lunches. Students will collect stoves on the morning of the expedition. We will tell students about arrangements for returning kit.

Key actions by students are as a team to remember learning points from practice, attend planning sessions and liaise on food choice. As an individual careful and lightweight rucksack packing will help.

If you have any questions or concerns, please do not hesitate to contact myself or Mr Kench. I do hope your son/daughter has a great expedition adventure and passes their assessment.
