Entry Requirements:

Please refer to your information pack for requirements. Please remember that acceptance on courses are primarily judged on GCSE grades, but can be judged on an individual basis. Some subjects reserve the right only to accept students who have gained a particular grade or above in their subject area at GCSE on their courses.

Courses Available:

Overleaf you will find a list of the courses that we expect to run in September 2020. You can apply for A-Levels, BTECs or a combination of the two. Please number the courses you are applying for in order of preference.

Should you wish to study Further Maths as a 4th option please indicate overleaf.

If you wish to study a subject that also requires Core Maths, please select Core Maths option overleaf.

Please note that timetabling considerations, or low student numbers, may mean certain combinations are not available. Please also note that some subjects may be taught during period 6 (3.15pm - 4.15pm).
