

October 2018

Dear Parents/Carers,

YEAR 10 IMMERSION DAY – VOLUNTEERS NEEDED

On Thursday 21st March 2019, The Ridgeway School will be running an Immersion Day where all Year 10 students are off timetable in order to take part in an exciting Careers Day. I am looking for a variety of employers and employees to come in and assist with the morning, in order to make the experience for students one that they will find highly valuable. I am hoping that parents of students at the school may be able to assist with this.

The timings of the session you would be needed for are from 8.50am until 11.10am; the morning session. Within this time, students visit a careers fair where all employers/employees will talk to the students discussing how you came to choose your career, qualifications/experience you needed and what it is like to work in that sector with the students. You are not required to sell your sector; it is just for students to have an understanding of what the world of work is like.

Please note that the morning will be guided and led by myself and there will be no point during the morning where you are left with groups of students. I will also meet with all employers and employees at the beginning of the morning to give a briefing on what to expect.

If you would be happy to take part in the day, please could you contact me via email (my email address is stated below). I will then contact you to confirm details and attendance.

Thank you in advance.

Kind regards,

Mrs K Gray (Subject Leader of PSHE & Careers)
